Any registrar can validate your tournament roster or register a player as an Academy Player. We are happy to help you with any of these needs. If you choose to have any of these things done through FSA, below are some tips.

ACADEMY TOURNAMENT ROSTERS

- Make sure that jersey numbers are included and there are no duplicates.
- Make sure that a *coach's signature* is included at the bottom. A typed signature will not be accepted.
- Be sure you have not exceeded the maximum players.
- Forms not filled out with all information will not be accepted.
- Must be signed by your registrar

PLAYER ACADEMY FORMS (if submitting a tournament roster to FSA for approval)

Please be sure all players have current Academy Forms and Registrations prior to submitting your roster. Expired or invalid Academy Forms will be rejected. Forms must have Home Association Approvals to be accepted.

If you have a player who is new to Academy, they will need to register as an academy player and have an approved Academy Form before they can be added to your roster. They can register at any home association.

If they choose to register with FSA, they may do so by using the link on www.friscosoccer.org/friscoacademy. Registration is \$20 and can be paid online. Once registration is complete, they will need to send a completed academy form (either printed from their registration) or fill out a blank one to contactus@friscosoccer.com for the certification stamp. They will need to provide us with either a birth certificate, passport or official immunization records to verify birth date.
