**W**elcome to St. Cloud, Minnesota, and the Herb Brooks National Hockey Center for the 2022 USA Hockey Girls 16/17 Player Development Camp.

Organized and operated by USA Hockey, this camp emphasizes age-specific skill development in alignment with USA Hockey's American Development Model and U.S. Women's National Team programming.

The camp is designed to educate players and equip them with the training, knowledge and resources to foster their overall development. In addition, players will have the opportunity to compete nationally against their peers in the 2005 and 2006 birth years.

This camp features eight teams mixed with both 2005-born and 2006-born players. In total, the camp includes 144 players with representation from all 12 of USA Hockey's geographical districts.

### **NEW PARENT MODULES ANNOUNCED**

USA Hockey families will receive a new member benefit this season, as the organization unveils new Parent Modules. The voluntary online courses are based off of the same education material as the USA Hockey Coaching Education Program modules, and have been redesigned to appeal to parents. The information will help educate and inform parents about hockey, their important role in player's development and how they can support coaches and officials.

### **R-E-S-P-E-C-T**

USA Hockey announced a special task force to address the current state of officiating within youth sports earlier this year, specifically as it relates to ice hockey. The charge of the task force is to explore challenges relative to officiating that exist today – recruitment, retention and treatment of officials among them – and work to formulate a comprehensive plan that provides volunteers across the country with resources and strategies to address those challenges.

# USA HOCKEY ON THE WORLD STAGE

## U.S. SLED TEAM WINS FOURTH CONSECUTIVE GOLD, WOMEN CAPTURE SILVER

The U.S. Paralympic Sled Hockey Team won an unprecedented fourth consecutive gold medal. Goaltender Jen Lee didn't allow a single goal all tournament, and forward Declan Farmer led the tournament with 18 points in four games and is now the all-time U.S. points scorer in Winter Paralympics. In Olympic or Paralympic hockey competition, no team has won more than four straight gold medals.

The U.S. Olympic Women's Ice Hockey Team claimed its seventh Olympic medal all-time with a silver-medal performance at the 2022 Winter Games. The U.S. Olympic Men's Ice Hockey Team was the only team to finish the preliminary round with three regulation wins and ultimately finished fifth in the Olympic tournament, two places better than its 2018 standing.

## USA HOCKEY OFFICIALS SUCCEED AT WINTER OLYMPIC AND PARALYMPIC GAMES

A combined 11 American officials were selected to work the 2022 Olympics and Paralympics, including five officials for the Olympic women's ice hockey tournament; four for the men's competition and two officials for the Paralympic sled tournament. In addition, four American officials were in Beijing as officiating coaches. All four officials in the women's gold-medal game were trained in the USA Hockey officiating program, including two Americans, one Sweden and one official from Switzerland. Two American officials worked the men's gold-medal game.

## U.S. UNDER-18 MEN'S NATIONAL TEAM WINS SILVER MEDAL IN GERMANY

The 2022 IIHF Under-18 Men's World Championship took place in Kaufbeuren

and Landshut, Germany, from April 23-May 1, 2022. The U.S. competed in Group A alongside Canada, Czechia and Germany, while Sweden, Finland, Switzerland and Latvia will compete in Group B. The U.S. won all three preliminary round games before defeating Latvia in the quarterfinals and Czechia in the semifinal round. Despite outshooting Sweden 51-15 in the gold medal game, the U.S. fell, 6-4, and ultimately earned the silver medal.

## MADISON HOSTS IIHF UNDER-18 WOMEN'S WORLD CHAMPIONSHIP

The U.S. Under-18 Women's National Team brought home a silver medal, its unprecedented 14th-straight medal, at the 2022 IIHF Under-18 Women's World Championship this past June in Madison, Wisconsin. Team USA outscored its opponents 23-6 through the tournament, but ultimately came up just shy, failing 3-2 to Canada in the gold medal game.

With a silver medal, the U.S. has not only medaled in every Under-18 Women's World Championship competed but has also played in every gold medal game of the tournament as well.

Laila Edwards (Cleveland Heights, Ohio) was named both tournament MVP and best forward of the tournament, while teammate Sydney Morrow (Darien, Conn.) joined Edwards on the media all-star team. For more information, visit [teamusa.usahockey.com](https://teamusa.usahockey.com).
