

Luke Juhl Bio For MYHA President

My name is Luke Juhl and my wife, Katie, and I have 3 children in the Mahtomedi school system Reagan 9th grade, Rory 6th grade, and Leighton 3rd grade. All three of our children are active in sports including: Hockey, Golf, Lacrosse, Swimming and Volleyball. Katie and I are actively involved with all of those sports either as a coach, team manager, fundraiser, or proud parent. We moved to the Mahtomedi district in 2019 and we enjoy being a part of the community and culture. We value the competitive nature, success, and tradition of the Mahtomedi sports programs.

My MYHA involvement to date includes the following:

Mini Mite Coach - 2020/2021 Season

Mite 1 Coach – 2021/2022 Season

Board Member (Mite Director) & Mite 4 Coach 2022/2023 Season

Board Member (Mite Director) & Mite 4 Coach 2023/2024 Season

I am excited to continue coaching and if I am re-elected to the MYHA board to continue serving the MYHA program in whatever capacity I can for years to come. I have experience in other non-profit settings both as a volunteer and board member, and I consider myself a leader and problem solver with a diligent work ethic.
