

## **HDC Meeting Minutes – April 16th, 2021**

**Attendance:** Corey Rupp, Bob Brink, Kurt Knott, Channing Boe, Mike Johnson, Becky Adams

**Absent:** Pete Stahnke, Neil Huewe

**Joe Fallon Goalie Camp** – We discussed final details of the goalie camp in May. We have good response so far and only a few more spots available for it. Also going to invite coaches to teach them and have hopes of developing 10 minute plan for goalies to do at practices during season when players are focused on skating etc.

**Troy Stevens Skills Camp** – We discussed trying to hold this as well. With all the items this Spring we decided to move to the Fall. Channing working on schedules to see if we could host something the first couple weekend of October to have him come in.

**Coach Evaluations** – We fell behind with all Spring priorities. We are sending out this weekend and still hoping to gather information to help in coaching performance for the year.

**April Skills** – Overall it has been a good Spring and skill development is more effective. Peewee group had some hiccups on not being prepared but better now. We continue to see poor attendance from goalies except in younger groups. Goalie sessions have been better since first session coach did not show up. We discussed ideas to avoid coach burnout as it is very high this season with the length and extra they have had to do.

**Sanford Power Hiring** – Sanford Power is posting and hiring for a hockey development director role for training.

**Mini Lumberjacks** – Mini Lumberjacks is coming together and hope to get flyers in schools soon.
