

Fusion E.C.

Spring 2022 Season

Quick Reference Information For the Upcoming Season

Practice Information

Practice Schedules for Travel and Recreation can be found on the Fusion Website during each soccer season.

TRAVEL

RECREATION

If you are unfamiliar with the field locations, a Field Map is available on the Fusion F.C. website.

Recreation Games - Reminder

The purpose of our Recreation Soccer Program is to allow children to experience the game of soccer and to support each player for their individual efforts and development.

It is important to remember that there is NO score keeping in our Recreation program. We want a healthy environment for players to come out be with friends and show off their own personal growth. Please remember to be respectful of other players and families.

If you experience any negative treatment, please report this to a member of the board immediately.

Referees - Important

As with all sports, obtaining referees, even professional ones, is getting harder. This is largely due to the treatment they can receive during games.

Recreation referees are children and are learning a new skill, along with your players. Just like when professional referees are involved, there will be times where you do not agree with a call. It is unacceptable to make negative or derogatory comments/statements to or about referees. **Games will be stopped immediately should this occur!** If you have concerns about a referee's actions please discuss with your coach or a Fusion F.C. Board Member directly so that it can be addressed.

Individuals interested in learning more about requirements to be a Travel Referee should visit the [EPSARC](#) website.

Field Location

Practice and Travel fields utilized for the Spring season are located at the Red Land Soccer Complex at 250 Old Quaker Road Etters PA. This is also where the Clubhouse is located.

If utilizing your GPS, the city will default to Goldsboro; however, will bring you to the correct location.

In the event that we need to close the fields, communication will be sent via email and posted to our website and Fusion F.C. Facebook Page

Communication

The majority of all mass communication from the organization is sent out via the Got Sport platform utilized to register your player. To ensure you are receiving communications from us, please confirm you have not elected to Opt-Out of mass communication.

- Log In to **Got Sport**
- Click on your Profile
- Halfway down the page will show you if you have opted out.

Fusion F.C. Administrators can NOT remove you from this Opt-Out list to ensure you are receiving communication from us, so please double check this set up on your Got Sport account.
