

Pacer Football F.A.M.I.L.Y.,

It hurts me to say this but we've been put in a situation where we cannot safely field a team to play this Friday night at Lake Country Lutheran or anywhere else for that matter. We are officially forfeiting the game today which will give LCL the chance to find a replacement opponent. We hope to still play one more game next week but will have to do some searching for an opponent as I received word early this morning from Brookfield Academy (the 3 seed in our pod) that they will likely not be able to play beyond this Friday due to administrative reasons concerning COVID-19.

We will still practice this afternoon as I want the guys who are here to be able to run around and enjoy the beautiful weather. We will adjust our practice schedule for the rest of the week and I will send out details as soon as they are finalized. For those of you stuck at home, hang on to the hope that we still might get to have one more game. For those of you who are here, keep following our protocols with wearing masks and washing hands so we can stay healthy.

I wish I had better news to share but I'll trust that the Lord's plans are always better than mine. Pray for patience and perseverance for all!
