

2nd Grade Opportunity ONLY!

Due to an amazing 2nd grade turnout at hoop camp this summer, the Highlander Basketball Club is starting a new opportunity for the fall of 2019.

What: Skill sessions devoted to 2nd grader girls only!!!!

When: Sundays throughout October and into November. We would have 6 sessions. Each session lasting an hour. The first four sessions would all be skill work including, but not limited to: ball handling, passing, catching, and form shooting. The final two sessions would be scrimmages of 2 on 2, and 3 on 3.

Extras: Each girl will be provided an official HBC t-shirt with their name on the back! :) Those jerseys are the same ones the older girls use throughout the season.

Cost: The cost for the session is \$60 a player.

We are encouraging all girls to attend the "try-out" on September 18 and 25 so we can determine how many girls would be interested. The program will run based on interest
