

Arizona Region of USA Volleyball/USA Volleyball Association  
Chaperone Responsibility Form

Thank you very much for volunteering to be a junior team chaperone. As a chaperone you are assuming certain responsibilities for the welfare of the players under your care, custody and control. To assist you in knowing what your responsibilities are we have created this information sheet for you. Please read and discuss these responsibilities with the team coach or manager. If you understand and accept these responsibilities please sign and date the bottom of the form and submit the form to the Arizona Region with your membership.

As a Chaperone, I understand and take the responsibility for the following:

1. Consent to and pass a USA Volleyball Background Screening and obtain the required SafeSport Training certificate prior to chaperoning. I will purchase an AZ Region Chaperone membership for the current season.
2. As an assigned driver transporting players to and from an event, I will obey all traffic laws and will not take any driving risks that will place the players or me in a harmful situation. All players as well as myself will wear seatbelts while in the vehicle.
3. If using my personal vehicle for transporting players, I understand that I am responsible for any accidents or injuries to my vehicle, myself or to the players. I agree to have automobile liability insurance in the amount of \$300,000 or more covering the vehicle I will use to transport players. I agree not to transport more players than my vehicle has seatbelts for.
4. Prior to the event, I will have a meeting with the players I am chaperoning to discuss the following:
  - a. Room accommodations
  - b. Player responsibilities and conduct - at gym, in hotel, at restaurants, at airport, etc.
  - c. Consequences of misbehavior
  - d. Curfew
  - e. Check-in requirements with you if the players are going to leave the hotel or the gym
  - f. Review of departure times and team activity/agenda times
  - g. Alcohol, tobacco, marijuana products, vaping and illegal drug restrictions
  - h. Team meals
5. I will refrain from using alcoholic beverages and/or marijuana products while performing my chaperone responsibilities. I will not drink or partake in any substance that is illegal to be used while transporting any players or myself while acting as a chaperone. If, for any reason, I feel impaired to chaperone, drive or carry out any of my responsibilities, I will personally contact the team coach or manager and advise him/her of my impairment.
6. I will do everything that is reasonable and prudent to ensure the safety of the players and myself while performing any chaperone duties.
7. As a chaperone, I understand that I am working under the direction of the Club, the Arizona Region, or USA Volleyball Association. Any General Liability insurance available to the Club, Arizona Region or USA Volleyball Association (excluding auto insurance) is also made available to me while working on the behalf of or at the direction of the Club, Arizona Region or USA Volleyball Association. I understand that I may be personally responsible and liable for any of my actions that fall outside of the scope of authority granted to me by the Club, Arizona Region or USA Volleyball.
