**CHALLENGER**  **BASEBALL**

LEGION POST 521

Hello Baseball Athletes & Families,

Planning is well underway for the 2026 summer Legion baseball season! West Saint Paul Challenger Baseball, sponsored by American Legion Post 521, is open to all juniors and seniors that live or go to school in the West Saint Paul-Mendota Heights area. Our summer program allows our athletes to continue their personal and baseball development in a competitive setting. The majority of our athletes come from Two Rivers High School and Saint Thomas Academy.

Tryouts are set for **Sunday, April 26** at Saint Thomas Academy from 3:00-5:30PM (Rain make-up date is May 3). **Any athletes interested in trying out must register by April 25 at: [wsplegionbaseball.org](http://wsplegionbaseball.org).**

Our website also includes more information regarding our program, schedule, team fees, and policies. Our program requires a fairly heavy commitment, as our schedule includes roughly 25 games, including 3 tournaments, during June to late July/early August.

If you have any questions, feel free to reach out to head coach Bobby Thompson at [thompsonrob82@gmail.com](mailto:thompsonrob82@gmail.com) or 651-600-4918.
