

D10 Covid Guidelines

THESE COVID GUIDELINES supersede the current D10 Handbook (when applicable)

These are subject to changes based on information by State and Local officials.

- Everyone under D10 Membership (players, coaches, parents, officials, minor officials and board members) must follow the MN Hockey Covid guidelines, UNLESS association or rink rules are stricter, than the stricter rules will supersede.
- Number of coaches allowed on the bench during a league game is 2. Coaches must wear a mask on the bench during league games
- Coaches MUST wear masks during all team practices
- D10 will allow 3 minor officials for league games. 1 for clock and book, 1 for home penalty box and 1 for away penalty box. ALL minor officials MUST wear masks.
- Any player that has been exposed to Covid MUST get a test and supply their appropriate association rep with their results. Players with POSITIVE results must quarantine for 14 days from the time of receiving the positive results. (Players with negative results may return to team activities).
- Association reps have the responsibility to get POSITIVE Covid test results to the appropriate D10 League Coordinator.
- League Coordinators are responsible to report any association/team positive tests to the D10 President, D10 Director and D10 Game scheduler.
- Associations are responsible to have a Covid Rep per team that will make sure coaches, players and parents are adhering to Association and Rink Covid guidelines.
- Under MN Hockey Phase 3, each association must have an emergency plan in place for when a positive covid test is reported.
