2024 TRAFFIC IMPACT

JULY 13, 2024

The 2024 IRONMAN 70.3 Muncie will be held on Saturday, July 13 at Prairie Creek Reservoir and the surrounding areas. You have received this letter because you may be located on either the bike or run course for this year's event. The course has been approved by the Indiana Department of Transportation. Traffic will be managed by the Muncie Police Department, the Delaware County Sheriff's Department and other law enforcement agencies.

The bike portion of the event will take place on Saturday, July 13 from 6 AM to 2:30 PM. The run portion will take place from 7 AM to 5 PM. We ask you take these times into consideration when traveling in Muncie on Saturday, July 13. Please wait for a signal from law enforcement or traffic control before pulling into oncoming athlete traffic. Also, please remember to keep your pets away from the roads during this time. A collision between a dog and a cyclist is extremely dangerous for all involved.

This is a great event for our entire community. Please help us show the athletes a warm Hoosier welcome and take a moment to cheer on athletes from across the world. If you would like to become involved by volunteering for this event, please visit IRONMAN.VOLUNTEERLOCAL.COM or scan the QR code.
