

2024 Spring Development Program **Tournament Teams, Player Draft 3-3, 4-4, Skills, Drills, Power Skate, & Small Area Games**

The Vikings Hockey Club is proud to announce their **2024 Spring Development Program** at The Arctic Ice Arena. We are the leader in Spring Development Hockey. This year's program will run from early April thru mid June. The Vikings Spring Development Program is open to **ALL PLAYERS** from **ALL CLUBS** including AAA, High School, Tier II, Arctic Jr Fury and all House Programs.

For 2024, the Vikings Spring Program will consist of a combination of Power Skating, Skills, Drills, Small Area Games, Draft Games, along with a 3-3 & 4-4 series. This format allows for a focus on individual player development while implementing team concepts and tactics through a fun, yet competitive game environment. In April all sessions will consist of **Power Skates, and Skills & Drills**, focusing on individual player development. Beginning in May, the Coaching Staff will draft all Spring Players onto two teams per age level (U8-U14) (*Midgets will follow a separate program*). The month of May will consist of one session per week being **skills and drills** and the other session being all **small area games** and **scrimmages**. In June we will begin our **3-3 & 4-4 Series**. All players will compete in a 3 on 3 and/or a 4 on 4 format twice a week. This format will allow our players to progress from the skills and drills program into the concepts and game situation from April to June.

Below are the dates for Spring 2024. All tournament teams will be called **Hockey Sense Inc**, as all events are not part of USA Hockey. Separate insurance will be included/provided for these events. If your player is selected for any tournament teams, he/she will incur an additional cost per tournament. There will be no refunds or prorated fees for tournaments. **Event schedule coming soon!**

Now in its 12th year, our development program has been developed by Vikings Hockey Director Nick Pollos with contributions from various [USA Hockey](#) and [Jr. & NCAA](#) Hockey Coaches, Players and Instructors. Each session will be made up of challenging development drills, focusing on proper skating technique, puck handling, passing and shooting along with focused and competitive scrimmage time. Specialized goaltender instruction will also be present throughout the program including goalie clinic nights.

A variety of instructors will be used during these sessions including current and new Vikings coaches, special guest instructors, current Junior A, NCAA and Professional Players along with Hockey Director Nick Pollos.

This is not a spring league, no meaningless games, no driving to multiple rinks at various times and days. Our program focuses on teaching and development at one location with a pre-determined schedule, all in one rink with proven instructors at a very reasonable cost. It also allows flexibility for kids to play other sports all Spring and Summer. Program details are outlined as follows...
