

2020 – 2021 Membership Options

FALL MEMBERSHIP OVERVIEW

Junior age players and Adults – \$15

Available September 1, 2020 – expires December 31, 2020

This is a limited membership option and therefore is not refundable but can be upgraded to a full junior or adult membership.

In response to many States and school districts moving high school volleyball from the fall season to spring season, the USAV *Return to Play Task Force* recommended and the USAV Board of Directors approved **a special, one-time, low-cost membership** that covers USA Volleyball and North Country Region sanctioned events: tryouts, practices, meetings, competition. The Fall Membership option includes participation in indoor and outdoor play, allows junior level players to participate in tryouts, practice, USAV, Region and other Regions sanctioned events. Adults affiliated with a club (coach, club director, chaperones, support staff) and officials must complete safety and training requirements before any participation with junior level players.

Fall memberships are not eligible to play, coach, officiate, or participate in national level events (Qualifiers, Junior National Championships, National High Performance teams/camps, etc) **Benefits: Learning Management System, Newsletters, Promotions, USAV Secondary Liability Insurance Coverage, Safe Environment Zone*, and More**

JUNIORS FALL MEMBERSHIP OPTIONS

Fall Membership Junior Player 18s age division -is or will be 18 years of age **\$15**

For boys or girls who are 18 or will turn 18 by the last day of the season August 31, 2021 or 19 and in the 12th grade

The completion of SafeSport is required in order to be eligible to participate

Fall Membership Junior Player 17s or younger age division **\$15**

For boys and girls who are 17 or younger September 1, 2020 through August 31, 2021

ADULTS FALL MEMBERSHIP OPTIONS

Coach Membership **\$15**

This membership is for adult age members who will be assigned a coaching role in a junior club. This membership will provide ease of credential tracking for coach to meet training requirements in order to be placed on a team roster as a head or assistant coach. Membership does not include cost of USA Volleyball approved background screen. This membership also allows the adult to compete as an adult player in any Region, other Region, USAV adult sanctioned competitions. Coach Requirements: current and cleared USA Volleyball approved background screen (\$35/every two years), current in SafeSport training, and IMPACT trained.

Adult with Junior Program (Non-Coaching Role) **\$15**

This membership is for adult age members who will be working with a junior age club program **but will not have coaching duties**. Club Directors, Tournament Directors, Chaperones are examples of adults who are within this membership category. This membership will provide ease of credential tracking to meet training requirements in order to be placed on a team roster in a non-coaching role. Membership does not include cost of USA Volleyball approved background screen. This membership also allows the adult to compete as an adult player in any Region, other Region, USAV adult sanctioned competitions. Junior Club Program Non-Coaching Role Requirements: current and cleared USA Volleyball approved background screen (\$35/every two years) and current in SafeSport training

***Safe Environment Zone** – adults working with minors are required to clear a USAV Approved background screen and complete SafeSport Training. North Country Region and USA Volleyball membership database stores these credentials to better ensure minor age athlete safety.
