Treasurer's Report/Budget Update

Kevin provided update on player fees

- Two models: one @ \$550 and one @ \$600
 - Both models are below player fees from last year, which were at \$750.
 - If we go with \$550 per player, we will barely be in the black, and this assumes 100% of Blitz cards are sold.
 - Kevin made a motion to charge \$600 for player fees this season, and Brad provided second. Discussion including explaining to families that most costs are fixed, ie not based on ice time, if questions come up regarding fees and shortened season.
- Payment of Player Fees - Discussion around payment plans versus requiring all payment up front. Decided to allow the option of making payments, but all checks, including post-dated checks, have to be mailed to Kevin at the beginning of the season.

President/Vice President's Report

- MJ & Christy Nagel will take care of display case, and Steph will provide them with the pics for the display case.
- COVID Update:
 - Craig working with front office on Google doc; need to get families to each sign up for their two spectators.

Fundraising

- Bingo - Brenden to send Sherri email to send out to families with their assigned shifts, and will include COVID waiver info in email.
- Blitz Cards
 - Each rostered player needs to sell a minimum of five Blitz cards, and need to pay \$100 in advance.
 - Payment of \$100 needs to be included when paying player fees, but can be a separate check and post-dated for a month.
 - Some families have already sold five or more, so will not be required to sell more.
 - Families who have sold one to four cards will get credit for what they have already sold.
