Neenah Baseball, Inc. is your community based 501(c)(3) nonprofit youth baseball organization that provides high quality baseball opportunities for over 500 girls and boys between the ages of 4 and 19. Between coaches, league coordinators, and board members, our organization is made up of over 150 volunteers to serve our communities' youth. A large portion of our funding is provided by sponsors from the local business community. Financial contributions from these sponsors will be used to pay for the baseball related expenses of Neenah Baseball, Inc. including the purchase of uniforms, equipment, and umpire fees. We need your help to continue to provide our youth baseball players of the Neenah area a high quality baseball program at an affordable cost.

To stay competitive with the surrounding for-profit club baseball programs, we will continue to fund the expansion of our offerings to include an indoor training facility that will be utilized to develop the skillsets of our nearly 160 tournament team players. This commitment to our local youth baseball players will provide them with year-round training facilities at a very affordable cost. Our goal is to keep our high end talent local to the Neenah community we are so proud to represent.
