

Player Development Meeting 05.18.2022

Present: Chuck Andrews, Steve Barten, Shannon Olmscheid, Charlie Orth, Scott Martinka; & Dan Selander

Absent: Troy Engebretson, Mike Stang, & Dave Zimmer

Others: Cory Zeiher, Darrin Hall, Amanda Henry, Mark Peterson, Amanda Peterson, & Crystal Fleischhacker

Tournaments: Crystal gave a brief update on home tournaments and Pee Wee A that will not have a home tournament.

Goalie Program Review: General discussion regarding Trios and how things went. They have expressed concerns about attendance. Very difficult to work with young goalies who don't attend regularly. Not all teams had a coach attend on a regular basis. Going forward the goalie coordinator will help with both areas.

Goalie Coordinator Selection: We had three interested parties – Darrin Hall, Amanda Henry, & Mark Peterson. We had a chance to have an interview with each one of them individually. They all bring something unique to the table and have a passion to help. After interviews were completed PDC had some additional discussion regarding the position. We voted and Amanda was selected to be the coordinator. All three candidates came back and expressed their willingness to help to work together.

IP Review: Reviewed the program and areas that need improvement. Suggestions going forward:

1. Making sure are the correct number of coaches on the ice.
2. Special coaches meeting just for IP.
3. Buddy program.
4. Having coaches that are not at the travel level rotate and comeback and help.
5. Getting more parents involved.
6. Equipment – intermediate nets and 4 additional sets of quick-change gear for both arenas.

Next Meeting will be June 1st at Shady's in Paynesville @ 6:30pm

Topics: Away Tournament Recommendations, Tryout Conversation, Coaches Meetings, Coaches Review, and Non-Parent Coaches.
