### Junior Varsity Overview

The junior varsity team had an outstanding season. The wrestlers and their parents should be very proud of all they accomplished individually and as a team. This group of young men has the ability to take Tiger Wrestling to new levels. As a coaching staff we will continue to push hard and encourage you to work hard towards achieving your personal and team goals. Committing to our off-season weightlifting/wrestling program should be the first step each of you takes in making these goals a reality. The loss of five starters and a few backups should be more than enough motivation for you to have a great offseason.

This year's team had a dual meet record of 21-0, a very impressive season for a team with very few juniors and a good schedule. The team competed in three tournaments this season: Mehlville JV Duals (1<sup>st</sup> Place/16 teams), St. Charles West Varsity Tournament (10th Place/ 19 teams), and the Southwest Conference JV Dual Championships (1<sup>st</sup> Place).

The team traveled to Mehlville High School over Christmas break and participated in a sixteen team holiday dual tournament. They competed very hard against Metro-Missouri's best wrestling programs and completely dominated the field of competition. The team finished 5-0 in duals on the day and captured the team title for the fifth consecutive season.

For the second year now the Junior Varsity team competed in the St. Charles West Varsity Tournament. We are fortunate enough to have enough depth on our roster to field a team that will not only compete with other varsity teams but place higher than them. This tournament allows us to get matches for wrestlers in our program that would be varsity starters on most other teams in the area. We were very proud as a coaching staff at how the team fared placing 10<sup>th</sup> out of nineteen teams with many wrestlers placing in the top six of their respected weight classes

The team finished their season off with the Southwest Conference J.V. Dual Tournament. The Tigers dominated their competition once again by going 3-0 in pool play. In route to winning the **SOUTHWEST CONFERENCE CHAMPIONSHIP** the team defeated East St. Louis, Alton and Belleville East. All of our wrestlers placed in the top three of their weight classes with many individual champions. This was a great way to finish a perfect season of competition.

I would like to thank the parents of all the wrestlers for supporting their sons this season, without your support it would be very difficult to be the program we are today. I appreciate the time you allow us to spend with your sons and helping you mold them into great young men of character on and off the mat.

I would also like to thank the senior wrestlers and managers for their hard work, dedication, and passion for the program the past four years. It really means a lot to me and the rest of the coaching staff that have had a hand in helping you develop in this great sport over your careers. I would also like to thank the parents of the seniors for always being there for your sons/daughters/program. Lastly, I would like to thank all of the coaches in the Edwardsville Wrestling Program for allowing me to be part of this great program.

Coach Matarelli

## 2015-2016 Freshmen Wrestling Season Overview

This year's freshman team shows a lot of promise for the future. The team showed that the talent is there to carry on the winning tradition of Tiger wrestling, though there are still many things that they can improve on as well. This team had some very impressive performances throughout the season. No matter what their record was, most of the individuals came to work every day and put themselves into position to be successful wrestlers. We had individual and team efforts at certain points during the season that show that this can be a special group. This group rose to many challenges this season and we hope they can rise to many more in the future.

Our season had many highlights including an 17-2 overall dual team record including an undefeated conference record. We took 1<sup>st</sup> place at the Kirkwood Dual Tournament, as well as 1<sup>st</sup> place in the O'Fallon Freshmen Invitational. We were fortunate again this year to take our freshman team north to Chicago to compete in the Glenbard North Freshman Dual Team Invitational. The young Tigers brought home a very respectable 4th place finish while having to wrestle each match of the tournament with several unfilled weight classes. Each year this tournament showcases many of the top programs in the state, and we were very fortunate to be able to travel there and compete against the toughest competition in the state. There are not many programs in the state that would do that for their lower levels, and that will only contribute to our wrestlers' success as progress through the program.

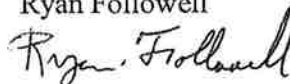

We would like to thank the parents for getting the guys to meets and practices, and helping the program with various other activities. You were a great help this year and we appreciate all you have done for your kids and the wrestling program. If it was not for you than we could not have as much fun as we did this year. It takes very dedicated parents for wrestlers to excel, and all the accomplishments on the mat can also be attributed to you.

We would like to thank the coaching staff for making this another great year. We hope the parents and wrestlers realize how lucky they are to have dedicated coaches like this in our program. The coaches put their heart and soul into making this one of the top programs in the state while doing things the right way in the process.

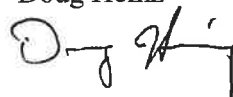

As in any sport, you have to have dedication, a great work ethic, and toughness to become great. All of these things are achievable, but you have to block out the distractions. This is a very tough sport that many people choose not to compete in because of the heart and desire it takes to succeed. I have a tremendous amount of respect for each of our guys who come out every day and put the time and effort in making this one of the most successful programs around! Remember, you can talk about how much you want to be great, how tough you are, and how hard you work. All that talk means nothing without giving great effort every day in class, great effort in every practice, and great effort in every match.

Good Luck,

Ryan Followell

Doug Heinz
