

Stratford Youth Soccer – Inappropriate Conduct Child Safety Policy

Stratford Youth Soccer is committed to the safety of all our children.

We follow the Ontario Soccer screening guidelines for coaches and others involved in training.

Inappropriate conduct between coaches and players will not be tolerated.

If such behavior is reported or suspected, a thorough investigation by the Board of Directors will be undertaken.

Should this investigation appear to be valid the individual will be removed from their position and the local police will be contacted for further investigation.
