

2021 MCBR FALL BALL INFO

Below is information regarding the 2022 MCBR Fall Ball season. If you are considering a team in any age U8 – U17, please contact your Town Director AND send an email to Don (damicolegion@aol.com) providing the age level and expected level of play for your team. **TEAMS NEED TO CONTACT THEIR TOWN DIRECTOR AND DON BY AUGUST 22 IF THEY WILL BE PARTICIPATING IN THE FALL BALL SCHEDULE.** Town Directors must email a complete final list of participating teams to Tim Chase as soon as possible (for setup of player registrations and team web pages). Some teams may not have enough players and are looking to combine... we will advise of any of these situations. If you have multiple players from your team but not enough to field a team, let Don know and he will advise if he has received other teams in a similar situation that might combine to be able to play. Town Directors need to be aware of all teams in their program planning to participate in MCBR Fall Ball. See registration info below.
