## 5. What hockey background do you have or what experience do you have that will help you be the best candidate for this position? \*

I played youth and high school hockey. I have one daughter in the AHYHA program, and I've been coaching for nine years. I've been surrounded by a number of great mentors, and I've served as Girls Director for two years. I love the culture of Andover Girls Hockey, and I want to continue our tradition of growing and developing young athletes.

## 6. What is one to two items that you would like focus on in this Director position? \*

I want to continue encouraging a culture of coaching with open lines of communication to share plans and ideas. Communication and organization are a significant key to success. I would like to bring more opportunities for team and individual development through on and off-ice training options.

## 7. Any other comments.

I will continue getting to know the coaches, players, and parents at each level. I will continue to push for an open line of communication where coaches can discuss and troubleshoot practice plans and team issues. I will again push for the Andover Girls Fall Classic Tournament, so the players have a chance to bond together under game situation intensity on our home ice early in the season. My intentions are to develop and push all of the athletes no matter what their current skill level may be. Go Huskies!
