

BOYS DISTRICT-SPECIFIC PLAYER DEVELOPMENT GUIDE

2025

GENERAL OVERVIEW

USA Hockey Boys Player Development Program

The USA Hockey Boys Player Development District-Specific Guide outlines the 2025 boys player development process in each of the twelve districts. This guide outlines how a player in a specific birth year may progress through his district's player development process to be eligible for opportunities at the affiliate, district, regional, and/or national level. At the national level, boys from the 2008, 2009, and 2010 birth years, who are U.S. citizens and complete the district tryout process, will be eligible for potential advancement to one of the following age-specific Boys National Player Development Camps:

NATIONAL 17 FESTIVAL

July 7-13, 2025

216 players

(120 forwards, 72 defense, 24 goalies)

Each district 2008 birth year receives allocated spots determined by USA Hockey.

NATIONAL 16 CAMP

June 25 - July 1, 2025

216 players

(120 forwards, 72 defense, 24 goalies)

Each district 2009 birth year receives allocated spots determined by USA Hockey.

NATIONAL 15 CAMP

July 16-21, 2025

216 players

(120 forwards, 72 defense, 24 goalies)

Each district 2010 birth year receives allocated spots determined by USA Hockey.

NATIONAL 15 GOALIE CAMP

July 13-16, 2025

The goalies at the National 15 Camp are required to attend the National 15 Goalie Camp.

Players may also be eligible for opportunities at the district and regional level. Most opportunities focus on the 14- to 17-year-old age range (2008-10 birth years); however, additional developmental opportunities may be available in some districts for the 2011, 2012 and 2013 birth years. These opportunities will vary in each district and are included in each district's player development process in this guide. For more information, please contact the Player Development Committee Representative in your district.

Because each district is responsible for designing its boys player development process, it may vary from district to district (i.e., birth years included, location of tryouts, regional opportunities, etc.). The districts are not all identical and the size of a district, the number of boys registered in that district, and the geographic proximity of the registrants in the district are a few of the factors that influence a district's player development process.

For more information on the 2025 Boys National Player Development process visit teamusa.usahockey.com/playerdevelopment.

Note: This information is specific to the 2025 player development process and the process, dates, locations, format, cost, number of players, etc. may vary from year to year. Additionally, the National 16 Camp and National 17 Festival are designed for tryouts for the USA Hockey Under-18 and Under-17 Select Team rosters.

MID-AMERICAN DISTRICT

PLAYER DEVELOPMENT COMMITTEE REPRESENTATIVE:

Tom Cline – tom.cline485@gmail.com

Mid-American Affiliate Information

Players are nominated by coaches. Nominated players are reviewed by a committee which is composed of Tier I coaches and Mid-Am District staff over a series of conference calls.

The subcommittee will make final nominations based on information provided by the player's head coach or program director, regular season performance with their local team and performance in prior Mid-Am Select Camps.

Invitations are based on the ranking of the team upon which the player plays with higher ranked teams receiving more allocations than lower ranked teams.

Ted Brill Great 8

The Ted Brill Great 8 tournament consists of eight teams made up of the top high school players in Minnesota.

Four teams are created from senior players. Another four teams, referred to as HP-18's, are created from junior players born in 2008.

The Senior and HP-18 teams will be formed according to paired high school sections (sections 1 and 3; sections 2 and 6; sections 4 and 5; sections 7 and 8).
