II. CAPTAIN'S PRACTICES

- Captain's practices set with leaders in place for all practices. First practice is this Sunday, 9/17, and parent meeting for ad campaign will be held at 6 pm for those players that haven't sold ads before.
- Rec'd captain's practice money and liability forms from 20 players thus far. Players that haven't paid will not be able to skate at captain's practice. Brian Driste will collect \$\$ and liability forms at captain's practice this Sunday, 9/17, for those players that haven't yet paid.
- Reminder email for the parent meeting at the first captain's practice (for new players that haven't sold ads) will be sent 9/12.
- Per request, sent Coach Guider an email asking him to add the captain's practices/drylands to the schedule located on the Blaine Girls Hockey website.

III. FUNDRAISING

- Ad campaign will kick off soon. In the past, Jennifer Argeros showed an interest in shadowing Lisa to learn about how to coordinate this fundraiser. Lisa will follow up with her and determine if she is still interested in doing this.
- Sherry confirmed Cub bagging for 11/18 (Saturday before Thanksgiving). JV girls will take first shift and V girls will take second shift. This is the same day as a game but bagging will be done early enough.
- Joyful Noise fundraising check given to Marc for deposit on 9/12/2017.
- Chuck a puck will only be organized on the four 'special nights' outlined below (Youth, Teacher/Sponsor, Parent, and Senior).

IV. BYHA MEETING

- BYHA meeting on 9/18 at 7 p.m. and would like as many girls to attend as possible since we are requesting another donation from them.
- BYHA Pre-skate sign ups have gone ok but we still have 5 open spots. Sharon will send an email reminding those that haven't signed up after Lisa adds 'Taste of Hockey' skates from BYHA.

V. OTHER

- **Yoga mats** - Currently have enough yoga mats to cover new varsity players as well as spares for JV players attending yoga. If we determine we need additional mats once the season begins we can purchase at that time.
- **Backpacks** - Guider confirmed there aren't any extra backpacks in storage. Marc to determine cost of previous backpacks. Determine if we add as part of apparel or Boosters purchase after looking at budget. Sharon will ask Coach Guider how the SCSU bags are different than the backpacks.
- **Apparel** -
 - **Players** - Captains working on apparel and will organize outside of the Boosters. All apparel to be organized by captains and ordered / paid by players.
 - **Parents** - Cara Parent will organize parent apparel and bring samples / designs to parent meeting on 10/24.
 - **Designs** - Brian Driste will forward on HS website that soccer has used for logos / designs / etc. to Cara.

- **Sign-up Genius** – Julie Sinner will shadow Lisa Lentner on sign-up genius. Setting up all volunteer opportunities before 10/24 parent meeting will be great opportunity to learn about sign-up genius.
- **Community Involvement** – Question came up regarding finding a different opportunity rather than Feed my Starving Children. Ideas were Adopt a Family (or veteran family) around Christmas and / or Hope 4 Youth. Guider typically sets this up and it would be his call to change from Feed my Starving Children.
- **Team Building** – Saturday, November 11th, has been set for team building event that Coach Guider sets up.
