

Player Protocols:

1. Players must enter the gym fully dressed to play the game.(yes that means shoes also) NO GYM BAGS.
 - a. If you need medication or an inhaler, bring it in a ziplock bag with name on it.
2. Players must bring a water bottle or purchase water, as the drinking fountain will not be in use.
3. All players will enter in the front of the gym and leave in the rear of the gym.
4. Upon entering the building all players will have their temperature taken and recorded. Anyone above a temp of 100 degrees will NOT be allowed to practice.
5. Once in the gym players must report directly to their court and will line up on a designated spot that will be 6ft from the closest person.
6. When in lines for drills players will remain 6ft apart.
7. Once practice is complete players must leave the facility immediately and not gather outside the building in close groups.
8. Restrooms will be open but we strongly advised to go before entering the building. Each team will be assigned a restroom to use and only one player in the restroom at a time if they need to use them.

Facility Protocols:

1. Signs will be posted reminding players and coaches of proper social distancing and hand sanitizing.
2. All coaches will be required to wear masks and gloves. Before entering the gym they will have their temperatures taken and recorded. Anyone over 100 degree temp will not be allowed in the gym.
3. All doors will be propped open when possible. All fresh air vents and fans will be open and circulating. Bleachers and benches will not be available and NO one will be allowed upstairs.
4. Only athletes and coaches will be allowed in the facility.
5. Handsanitizer will be available at the entrance and exit of the building.
6. One ball cart of balls per team. All balls will be gathered and disinfected after each session.
7. For practice purposes only two teams in the gym at a time utilizing courts 1 and 3 with a barrier on court 2 to attempt to prevent stray balls and athletes from crossing into the other court.
8. All high touch points will be cleaned after every session.
9. The whole facility including the floor will be disinfected each day.
10. We will be running 1.5hr sessions with a half hour in between groups to allow for cleaning and limit crossover of athletes. No athlete will be allowed to enter the gym until after the gym has been sanitized and all the athletes from the previous group have left (5-10 min. max)
11. We ask parents to keep your child in the car until the doors are open to keep kids from gathering in front of the door.
12. Each team will be assigned a restroom again to prevent crossover exposure from the teams.
13. All physical contact will be strongly discouraged and stopped immediately if seen.

Staff Protocol

1. Before entering the building all staff must complete a basic health questionnaire and have their temperature taken anyone over 100 degrees won't be allowed in the gym.
2. Staff will wear gloves and masks.
3. Staff will promote proper social distancing as much as possible.
4. Staff will not allow intentional contact with or by athletes and reduce ways to lesson unintentional contact.
5. All drills will be done in a way that allows for players to be of proper distances.
- 6.
