

FLAMS Pop Orchestra

Director: Poji Schreiber

For the 2023-2024 school year, our FLAMS Pop orchestra will be offered to select 7th graders and 8th graders. We will have some chosen high school leaders to help with sectionals. If you are a 7th grade orchestra student and are interested in joining and up for the challenge please talk to Mrs. Schreiber to see if you'd be a good candidate for the group.

Pop Orchestra is a club that meets after school and practices music together and explores different types of music and music history/current music. Rehearsal dates and times will soon be announced.

We will perform our annual Spring Cafe Pop Concert at FLAMS on April, 25 2024@6:00pm. We also will perform at other TBD venues. The music we will be working on and performing will be at an 8th grade level and beyond. If you are a student that would love an extra challenge and want to experience playing different types of music such as Jazz, Blues, Rock and Classical--then this is the group to join! Playing different styles of music strengthens the students' range of playing which in turn helps them become a more confident and musical string player! Students grow in their abilities as a performer, listener and artist and gain more confidence to perform in front of others.

Attending rehearsals are important to having successful performances. I ask that you review the dates and times before committing to the group because the rehearsal times are extremely important to attend. I reserve the right to ask a student to leave the group because of missing more than 3 rehearsals or not following important Pops Orchestra Team rules. Please read the below information carefully, turn in the last page of the packet to your orchestra director and then go online to ParentVue to register and pay for this activity/club at FLAMS. If you must miss a few rehearsals, talk to Mrs. Schreiber to work out a plan. We will at most rehearse once or twice a month. (Ex. Stay for the first half and then go to your sport activity/appointment).
