

Dear WCYHA members,

I am writing this letter to you to inform you of my intent to run for Volunteer Coordinator.

For those who do not know me, I will have a 3<sup>rd</sup> year mite, Eli, and a first year Mite, Jase this upcoming year. I also have a daughter who just turned 1 this past January (who I'm sure will play eventually!). I am a Certified Medical Assistant for a private practice of nephrologists (kidney doctors). I currently work with 3 MDs and a nurse practitioner. This has taught me excellent time management skills along with arranging schedules for multiple providers. Even though I am relatively new to the association, I have seen firsthand the role volunteers play in the association. It is up to the volunteers, to make sure the tournaments and daily activities and practices run smoothly.

I hope you will vote for me as Volunteer Coordinator!

Thank you for your support,

Krista Johnson
