

Midwest Spearfishing:

RMSA has changed its name to NFSA (National freshwater Spearfishing Association). NFSA hosted the USOA Spearfishing Nationals at Lake Powell in April. There were about 67 divers and a full women's and mixed division. We voted to allow a masters division and 2 person teams if the hosting club wants it.

Regional events this summer can all be seen on Nationalfreshwaterspearfishing.net. Upcoming 2023 NFSA events include is hosting WFSC May 16-20 at Lake Powell, Page AZ.

Hawaii Kona is hosting USOA Nationals mid-June

Freshwater Nationals will be held late July in Lake Mc McConaughy, Nebraska. It will include skin or scuba. Everyone is welcome.
