To Whom It May Concern,

The Huskies Hockey Club (HHC) is a nationally recognized hockey club. Since 1969, the Huskies have been committed to growing and developing youth hockey in the Chicago area and bringing the wonderful game of hockey to as many children as possible. We encourage our players to realize their full potential, not only in the hockey arena but in their everyday lives as well.

We understand that hockey can be financially straining on families. To help those in need, this year the Huskies have created an award program that families can apply for yearly. This award will go towards fee reduction for the recipient(s). The Huskies are donating \$5,000 to start the program. The club will host several events each year, which the proceeds will go towards. The 1st event to raise award funds will be a golf outing, in May 2023.

The golf outing will be held at the Whitetail Ridge Golf Club in Yorkville on May 12th. We are looking for sponsors and donations to help make this event a success. Opportunities include sponsoring the event, sponsoring a hole, sponsoring a contest at a hole, donating items to be used for a hole contest or door prize, a direct monetary donation and more. All proceeds will go to the award program.

We hope you consider sponsoring our golf outing and award program. Please reach out to our event chair for more details and to be added to our list. Specifics for all sponsor opportunities are listed on the next page. Your donation may be tax deductible as Huskies is a 501 c3 organization. Tax ID# 36-3259872.
