Dear Future Sponsor:

The 2025-26 Morton Girls Softball Association Inc. (MGSA) season is fast approaching! Our organization is a not-for-profit 501c3 managed and governed by seven volunteer Board of Directors. This past season we had over 130 Groveland/Morton girls participating in our recreation and travel league programs! Our season runs from August 1st - June 30th with July being reserved for family time, camps, or other activities.

The MGSA's mission is to offer softball opportunities. We believe every girl should have the opportunity to play softball. Our goal is to provide a positive, safe, and educational environment that will develop softball skills, character, and citizenship. Our organization hosts several tournaments at Birchwood Park which brings hundreds of families to our community each season. Our organization also participates in community service.

The money raised from sponsorships will go towards our Birchwood Park facility maintenance and improvements along with player development via camps and clinics. . Our facility goals for this season: new dugouts for Diamonds 3 & 4, portable outfield fencing so we can make our fields smaller for the younger girls, grade and crown Diamonds 2, 3, & 4, bullpens, and warning tracks. Our player development goals are to offer lessons, camps, and clinics throughout the year.

Attached is our 2025-26 sponsorship opportunities. Please visit our website at www.mortongirlssoftball.com or email mortongirlssoftball@gmail.com for more information on our sponsorship opportunities.

Sincerely,
Gigi MacIntosh, President, MGSA Board of Directors
