As parent/guardian, I agree to allow my son to play for The North Jersey Cardinals and understand that they nor the league are to be held responsible for any injury sustained while traveling to or from a game or any injury that may result from playing or practicing with the team. A \$500 \*NONREFUNDABLE DEPOSIT\* will be required to secure your child's spot in the organization. I also understand that payments are \*NONREFUNDABLE\*. Credit/refund may be issued where applicable on discretion of the organization. For example, should a player decide that they are not playing and the organization is able to fill their spot, a percentage will be refunded. If the spot can't be filled then there is no refund.
