The **Complete** camp is virtually two camps in one. Each morning session will focus exclusively on power skating, with each afternoon focusing on individual skills.

### COMPLETE MORNING

In this session we focus on skating technique, with the thought that practice makes permanent, but perfect practice makes perfect. Any technical flaw in a skater's stride acts as a limiting factor in how good that skater can become. Each camper will have his/her forward and backward stride videotaped, with the tape to be used as a learning tool to both highlight the positive and determine the underdeveloped parts of the campers stride.

- Forward/Backward Strides
- Explosive Starts
- Back Power Starts
- Power Turns
- Stopping
- Forward/Backward Crossovers
- Overspeed Training
- Edge Development

Lunch is **NOT PROVIDED**, Please send your camper with a healthy lunch, snack and water bottle.

Daily recreational programs including team sports, soccer, team hand ball, etc

The afternoon session will also feature a daily scrimmage that will allow the camper the opportunity to practice his/her newly acquired skills.
