

Lakes Region Youth Hockey Association

"Everyday is a good day for hockey."- Mario Lemieux

Lakes Region Youth Hockey Association was established to help children learn the fundamentals of skating, hockey, good sportsmanship and citizenship with an emphasis on teaching and participation rather than winning.

Lakes Region Youth Hockey Association had such great success last year with our program booklet we have decided to do it again this year. This booklet will include team rosters and pictures, as well as important event information. It will also be a great way to show love and support for your favorite Laker skater. We are reaching out in hopes that you will consider placing an ad in our booklet. The program booklet will reach hundreds of Lakes Region families and consumers and is a perfect opportunity to showcase your business or write words of encouragement to your favorite Laker while supporting an amazing organization. The program booklet will be available at all home games during the 2020/21 season.

All money raised will go directly to the Lakes Region Youth Hockey Association and will help cover the operating costs which include, but are not limited to, ice time for games and practices, equipment, and tournaments. All donations are tax-deductible!

We appreciate all our players, parents and supporters. Thank you in advance for your encouragement and support of the Lakes Region Youth Hockey Association! Should you have any questions, don't hesitate to contact me at the email address or phone number below.

Sincerely,
