

Chase Ace THE

Supporting the Tea Baseball Association

CHASE THE ACE

Fridays • 5-7 p.m.

**Drawing at
approximately
7:05 p.m.**

*Check Facebook for any
schedule/location changes!*

Raise money for the Tea Baseball Association by participating in the Chase the Ace Fundraiser! Purchase tickets to get into the weekly drawing and a chance to win the main pot if you find the Ace of Diamonds! The opening pot starts at \$1,000 and will continue to grow until the Ace of Diamonds is found.

You don't need to be from Tea to support kids playing baseball — bring your friends! The funds raised from the Chase the Ace event supports all levels of baseball in Tea. We're grateful for your support — thank you!

CHASE THE ACE RULES

How to Play Chase the Ace:

1. The Ace of Diamonds is hidden among a deck of cards and two jokers, each inside an envelope. Each week someone has a chance to pick an envelope with the chance of finding the Ace.
2. For a chance to pick the Ace, you purchase raffle tickets. Tickets are 1 for \$5 or 5 tickets for \$20, with additional price breaks the more tickets you purchase.
3. If your ticket is drawn, you win money AND the chance to pick the Ace.
4. You must be 18 years old to participate.
5. You don't need to be present to win but you do need to state what envelope number you'd like to pick if your card is drawn. You can share this information on the form if playing remotely or if you need to leave the event before the drawing.

How to Buy Tickets:

6. Purchase tickets in person on site. The drawing will take place at approximately 7:05 p.m.
7. Purchase via Venmo anytime between Saturday morning at 8 a.m. through Friday night's drawing.

8. If buying online, you must also complete a short Google Form — (link found on Facebook) — to pick your envelope number and so we can contact you to confirm we've received your payment and share your ticket number(s) with you.

How the Pot is Paid Out:

9. The opening Chase the Ace pot starts at \$1,000. The pot will continue to grow each week until the Ace of Diamonds is picked.
10. The pot for the weekly raffle drawing depends on how many raffle tickets are purchased that week.
11. If your raffle ticket is drawn, you'll receive 20% of the evening's take with a cap of \$400, whichever is less. The other 80% of the evening's pot will be added to the Ace pot.
12. If your ticket is drawn, you can pick any card on the Chase the Ace board. If you draw the Ace of Diamonds, you'll receive 50% of the Ace pot less taxes; the other 50% goes to the TBA.
13. The Chase the Ace fundraiser will continue until someone picks the Ace of Diamonds. If the Ace of Diamonds is found early on in the game, the TBA may choose to continue the game by searching for another Ace (to be named).
