The Greene County Youth Center is proud to launch its 2026 Sponsorship Campaign.

For more than 50 years, our facility has served the youth of our community by providing a safe, positive environment for children to learn, grow, and play. As participation continues to rise, important renovations and upgrades are needed to meet the growing demand.

The Youth Center is a private, non-profit organization that receives no county funding and exists solely for the benefit of our local youth. We rely entirely on the support of individuals, businesses, and community partners to make our programs possible.

Each year, local businesses play a vital role in supporting youth baseball and softball programs that teach teamwork, confidence, and sportsmanship. Your support directly impacts the opportunities available to our children and helps preserve a long-standing tradition in our community.

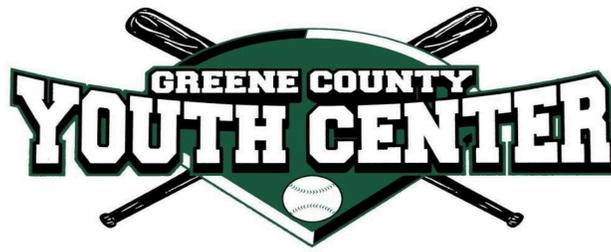

We invite you to partner with us in investing in our youth.

Please review the attached sponsorship form and join us in strengthening our programs, improving our facilities, and shaping a positive future for Greene County's children.

Sincerely,

GCYC
