IMPORTANT: Remind your field marshals that use of the walkie talkies are to call for medical attention/trainers, for NHILA representation (due to poor sportsmanship from coaches/players/sidelines), emergencies, and additional water requests. Walkie Talkies are to always remain on and will be used to signify the start and stop times of each game. It is the field marshal's responsibility to relay the start and stop time of the game loudly and clearly to the referees. There will be warnings relayed over the walkie talkie to signify the time, i.e. one minute to start and/or one minute left in the half ALL FIELDS ARE RUNNING ON ONE MASTER CLOCK. THERE ARE NO TIME OUTS! REFEREES AND NHILA OFFICERS ARE THE ONLY ONES THAT CAN STOP A GAME DUE TO MEDICAL ISSUES, INCLEMENT WEATHER, AND POOR SPORTSMANSHIP (COACHES/PLAYERS/PARENTS SIDELINES)

FIELD MARSHAL BASIC DUTIES

The role of the Field Marshal is to maintain a positive and sportsmanlike environment around the playing field.

Duties:

1. Monitor the behavior of coaches/players/parents/fans. This includes the use of obscene or highly abusive language, threats of bodily harm, fighting or continued berating of officials or others involved in the game.
2. The Field Marshall is to remind parents/fans to keep their comments to themselves and refrain from vocalizing their complaints during the game.
3. Quickly diffuse potential problems before they arise by either being visible or calmly speaking with the individual(s) involved. (if not comfortable please Radio a NHYLA Member to the field)
5. Deal with, and act on, inappropriate comments, gestures, and/or general poor sportsmanship behavior directed at referees, players or any other individual, but please avoid getting into a confrontation. If someone is still hostile after being asked to calm down, please gather as much information but do not put yourself in a dangerous position. (Radio a NHYLA Member to the field).

The Field Marshal is not expected to put themselves in a situation which may compromise their safety and instead are asked to contact a NHYLA Member to the field.

- Each town is responsible for bringing chairs.
- Each town is responsible for providing field marshal coverage for both days beginning with the first game @ 8:00am (please be there by 7:30am) until the last game.
- Field marshals should report to the NHYLA Tent to get a radio, clipboard, and field assignment. Please be sure that each field marshal arrives 15 prior to their assigned slot to make for smooth transitions.

Thank you,
