

Letter of Intent

I am writing this letter to express my interest in joining the Becker/Big Lake Board.

Both of my children Cooper (Peewee) and MacKenzie (8U girls) enjoy playing the sport that I love. I was a youth hockey participant for Burnsville back in the day and continued to play college level hockey in South Dakota. I worked at the Rapid City Ice Arena during my college years, driving Zamboni's, sharpening skates, coaching Peewees and running skills clinics.

For 13 years I gave my time to serving our country in the ARMY, and then pursued coaching after Cooper joined for his first termite season. I simply could not stand not being on the ice with him.

I have been a part of the Becker/Big Lake association for the last 6 years. I have been a coach for all 6 years with BBL and currently a level 4 coach with USA hockey. I am passionate on teaching kids how to skate correctly and how growing goalies.

I hope to bridge the gap between Princeton /BBL in growing our girls Co-op and ensuring they have a place to play in the future alongside fully supporting the growth of our goalies, and core skating skills.

Thank You for your consideration.
