University of Illinois at Urbana-Champaign

Levels:

Boys Level 3-10

Entries:

\$120 per gymnast

Please register through USAG

Checks payable to Champaign Gymnastics Academy

Mail to: 219 S. Mattis Ave. • Champaign, IL 61821

Meet Format:

Illinois Team Cup is a club meet experience like no other! Your gymnast will have the opportunity to experience the team camaraderie and energy found in college gymnastics at the club level. Gymnasts will compete in teams of 3-7 athletes in a team-only challenge. For each of the 6 events, 4 gymnasts/team will compete and the top 3 scores will count.

At the end of each session, all gymnasts will be recognized for their participation and the highest-scoring teams will be honored with awards.

Our Level 10 teams will have the privilege of competing alongside the Illinois Fighting Illini & Greenville University Panthers men's gymnastics team as they compete head-to-head in one of their regular season dual meets. Greenville is the newest NCAA men's gymnastics team, and we are excited to support their program this season. We are thrilled to have this opportunity and hope that our gymnasts will feed off the amazing energy that these athletes bring to the competition floor. Don't miss this opportunity to experience the best of what college gymnastics competition has to offer.
