

Hello Friends of Club South Volleyball!

We are reaching out to see if you would be willing to partner with us in continuing our mission at Club South Volleyball. As you know, Club South is a non-profit 501(c)(3) volleyball club whose mission is to develop athletes into high level volleyball players while creating a family feel and caring for and investing in the athlete's whole well-being. We believe in high quality coaching and training while also keeping prices as low as we can to keep club volleyball accessible for our community.

In order to continue to try and keep overall costs down while still providing the high-quality training and equipment needed, we are starting a new sponsorship program. This year, we are focused on updating some of our equipment. We have 7 teams plus a Youth and a Little Diggers program. We want each of our teams to continue to have quality equipment (volleyballs, volleylites, ball carts, etc...) and as you can imagine, there is a lot of wear and tear that happens from season to season.

At the heart of our organization are our caring, high quality, player-centered coaches. We desire to continue to attract and invest in coaches with excellent expertise in developing outstanding athletes both on and off the court. Club South desires to invest in our coaches by compensating for their time and expertise and continuing to provide our coaches with training while also trying to keep costs down for families. Sponsorships will allow us to do just this!

Club South is asking if you, your business, an individual or business you know, would be interested in being a sponsor for Club South Volleyball. If you are willing and able to give as an individual, we welcome your partnership with us as we continue to create the best club possible. If your business is interested in sponsoring Club South, we have three levels to help assure that the Spokane volleyball community knows of your generosity.

- **Carolina Blue Sponsors** (\$500 or more): Your logo will go on the homepage of our website, in our email correspondence to our teams throughout the year, and you will also be highlighted on our Club South social media throughout the season.
- **Navy Blue Sponsors** (\$250-\$499): Your logo will go in our email correspondence to our teams throughout the year, and you will also be highlighted on our Club South social media throughout the season.

If you are able to give, please email us with your logo and amount so we can be sure to thank you and get your sponsorship up on our social media! Please mail a check to:

Our goal as a non-profit is to keep the love of volleyball going in our community while raising great athletes to the highest level on and off the court and a lifetime of memories and life skills. Without you, this would not be possible. Thank you so much in advance for your consideration in giving to Club South Volleyball. We appreciate you and are grateful for your consideration.
