All approved.

### Treasurer's Report

1. Account Balances:
  - Club Account: \$60,340.00
  - High School Account: \$5,438.95
2. Jess still needs to transfer the paypal money from all the poinsettia.

### Other Business:

1. Fundraising
  - a. Poinsettias are done. Kyle has the orders and contacted the few that have not turned
    - i. Pick up is the 22nd in the cafeterias. Kiki contacted people to help with distribution. Club parents will get all them off the truck and bundled by order. High school parents will be there for pick up.
  - b. Dominoas:
    - i. January 5-11
  - c. Coffee:
    - i. We met our 60 minimum. Molly got a ledger of all the sales to see who has sold how many. After Thanksgiving we will notify the girls as to where they are at through Elise through Sports Engine. At the end of December we are going to cut it off. If they want to claim any blank ones, they can text Molly.
  - d. Snap Raise - email fundraiser:
    - i. Goes for a month. Submit 20 emails to the company and they send out a link with a video and ask to donate funds. Last year we made about \$5,300 for club and \$2,300 for high school. This fundraiser helps the high school team the most since they didn't do the coffee fundraiser.

- ii. Decided to only do coffee this year. Survey the families on which fundraiser we like better (Snap or Coffee) and look at which one did better.

### 2. Equipment

- a. Trampoline is here! In the hall and in working order. \$7000 - MCE paid for it. \$1,400 high school paid for the rest of the trampoline order (pad around it).
- b. Kiki has ordered a couple of belts, twisting belts (\$3000). Up to 6 months wait. A pulley system is needed for the twisting belts. Jake asks about the pulley system install. Kiki is hoping MHS custodial staff will do it and we will probably have to pay them to do it. About \$1000.
- c. Kiki would like to do some more ordering and will need the \$5000 from TAGA club and \$5000 from TAGA High School.
  - i. New mat under low beam.
  - ii. Additional strength training tools like bands for drills.
  - iii. Different beam if we have the funds.
  - iv. Packman mat to help with skills (~\$700). New 4 inch mats.

### Coach's Update

1. Would like to schedule a U of M Gopher meet.
  - a. Could do a bus. Could do a ticket for each gymnast or one gymnast and one parent. Coaches go too. In the past, the team has met ahead of time or after and got pizza.
  - b. Leann will look into a meet that would work. Kiki said there is a day when high school and club teams can come for free.
2. Would like to get a clinician in and do a fun clinic for all the girls.
3. Idea she would like to do: Party/game night to just hang out. Maybe halfway through the season or  $\frac{3}{4}$  of the way to re-energize them. Kiki will bring some ideas to next meeting.
4. Discussed ways to get new parents information
  - a. New parent letter is on Club website - everyone still getting access
  - b. Scoring information on homepage
