### Reports:

President: Mindy

Mindy thanked Namita for running concessions and all the volunteers and expressed how much she appreciated everyone who has volunteered this past school year. Sponsorship sales for the 2022-23 school year has started. Mindy asked anyone who had any leads to let her know. There is currently a waitlist for ads on the stadium scoreboard. The new refrigerators have been ordered and the old ones will be recycled unless one can go into the indoor concessions. Mindy stated there will not be a July meeting but she will meet individually with some chairs. Mindy will attend the August coaches meeting.

Old Business:

Danielle announced the 2022 Scholarship winners were Kaitlyn Hunter and Owen Beabout. Mindy said we will revisit criteria for Next year's scholarships and discuss them with Cliff. Currently the applicants must have minimum 3.0 GPA and have played a sport all 4 years of high school. We are working on getting concessions signs made this summer.

Treasurer's Report: Kellie

The reports were passed out and are attached. Merchandise made \$17,043.15. Concessions made \$16,909.41. Kellie noted that each sport, Best Buddies, and Post Prom were paid \$250.00. We still need to pay for new football helmets and the 2 refrigerators for concessions. Taxes will be filed this summer.

Membership: Lisa

Lisa will verify if we are due any money from the joint PTSA/Booster memberships.

Merchandise: Robyn

The SGA is going to start working on Swarm shirts for the fall. She asked for anyone with ideas to contact her.

Concessions: Danielle and Namita

Danielle asked Mindy for a BBQ contact to provide food for the Fall. Menu prices will be updated for the fall. Danielle has a meeting with the Mt. Airy Chick Fil A manager to discuss options for next school year.

Communications: Ashly was not present

Fundraising:

Leander reached out to 2 photographers and will contact Mike Clark before making a decision on Mini Family photo sessions for the fall. Possible dates are October 8 or 21.

Administration: Mindy for Cliff

No decision has been made regarding ATC but one will be decided this month. The new refrigerators have been ordered and approved by MCPS. Cliff would like to purchase new Volleyball equipment and will ask for help with payment this fall. New volleyball and cross country/track coaches have been hired. Rich Bosnic the new cross country and track coach introduced himself. He teaches at Gaithersburg High School and is excited to coach at Damascus as he is part of the community and lives very close to the school.

New Business:

The 2022-23 elections were run by Nicole. Since all nominees ran unopposed and there were no nominations from the floor a verbal vote was taken. The following were unanimously voted into office:
