We are **HAPPY** to report that construction has resumed inside the second rink at the BCA.

These are unprecedented times where there potentially won't be any ice available this summer in Bemidji. Unfortunately, we are unable to put our ice back on any earlier than previously scheduled due to construction conflicts involving the refrigeration systems.

 *Please stay healthy & continue to practice social distancing.* 

Donations are being accepted for the final phase of construction now. For questions or to make a pledge, please contact: Dale Thompson, BCAC President 218.556.9311 dale@kenkthompsonjewelry.com or Courtney Aitken-Gifford 218.368.1367
