FALL 2021 COACH & TEAM STAFF REGISTRATION

All head coaches, assistant coaches and team managers with Southern Nevada Soccer Association's Henderson United Youth Soccer, Southern Highlands United and Mini Kickers youth league programs are required to register online for the Fall 2021 season. **The Fall 2021 registration period will start June 10, 2021.** SNSA will use the Stack Sports League Connect registration platform for the fall season. The Stack Connect system provides integrated background checks for new coaches; allows you to include team profile information as part of the coach/team manager registration form; and includes the "Team Connect" feature to access live roster updates and to communicate directly with the families on your team. Follow these steps to register:

1. Go to our website at www.snsasoccer.com and click on the **"TEAM COACH & STAFF REGISTER NOW"** button in the Quick Kicks section on the home page. If you are a returning coach or team manager, you are an SNSA member and can log in using your email address and password. If you are a new coach or team manager you can create an SNSA member account and proceed with team staff registration.
2. Complete and submit the online member and coach/team manager registration forms. Be sure to select the age/gender division in which you want your team to participate and indicate the team and/or player you are requesting to coach. Head coaches or team managers can include team color preferences, level of play, practice location and a returning player list in the Team Profile section of the registration form.
3. Volunteers who serve as a coach or team manager for more than one team will need to submit separate registrations for each team, in order to enter unique team profile information.
4. The background check system is integrated as part of the registration system; coaches for whom a background check is required will not need to complete a separate application.
5. **New coach and team manager volunteers** will be required to complete the **CDC Heads Up concussion training** course and the **SafeSport abuse prevention training** course. SNSA will provide instructions to access these courses and to submit completion certificates. New coaches will also need to upload a photo to their SNSA member account or send a photo to info@snsasoccer.com for their SNSA ID card.
6. **Returning coaches and team managers** with expired training certification will be notified and provided with a link to renew.
7. All registered coaches and team managers with completed certification training will receive a new SNSA ID card for the Fall 2021 season.

Coaches and team managers who do not register online are not officially registered with SNSA, and therefore are not insured. Registration provides liability protection for our team staff, and we require any person who acts in the capacity of head coach, assistant coach or team manager to submit an official registration and complete online certification. SNSA will host instructional and field training clinics for coaches prior to the start of the season; check the coaches page on the SNSA website (snsasoccer.com, "Coaches" tab) for updated coach event information and other coaching resources. **All coach certification, instructional and field training is paid for by SNSA!** Contact us at 702-568-0400 or info@snsasoccer.com or if you have any questions.

Thank you for volunteering to coach youth league soccer with Southern Nevada Soccer Association!
