**UP  
POTENTIAL**

**SPORTS FOR CHILDREN  
WITH SPECIAL NEEDS**

SYC is proud to announce our very first program for children with special needs! Unlimited Potential (UP) is a new pilot program that offers an opportunity for children with special needs to learn the fundamentals of sports in a safe and fun environment. We will offer SOCCER as part of the UP program this spring! Children will learn drills and teamwork alongside their "Pal" who is assigned to each individual child. We are very excited about this new program which gives special needs children a chance to socialize, make friends, and have fun!

See you soon! - [Carrie Moon](#), SYC UP Commissioner

# VOLLEYBALL SEEKING LEAGUE DIRECTORS

Sign up to help!

Spring Volleyball registrations are going strong! If your child is planning on participating in volleyball this spring, **please consider signing up to be a LEAGUE DIRECTOR!** We cannot have a season without our league directors.

The league director is an organizational position where you ensure the proper number of coaches for the number of players that are signed up, organize the practices with the coaches, organize the teams, set up the games, keep track of the scores/standings, and set up a tournament at the end of the season. I have done this for many seasons, so **I will be here to help with everything.** Please consider volunteering in this role! Questions? Email me at [volleyball@sycva.com](mailto:volleyball@sycva.com).

Thank you!  
**Emerald Galligan**  
SYC Volleyball Commissioner
