

## **SPRING T-BALL & WEE BALL**

We're partnering with Hill Country Indoor to introduce T-Ball and Wee Ball at HCI this Spring! Both will take place on Friday nights and are an excellent opportunity to introduce the kids to the great game. At this age we find it important to emphasize the overall goals of the game: promote teamwork, establish discipline, and have fun in a competitive environment.

Friday night sessions will consist of a 30-minute practice and a 45-minute game on our indoor turf field. T-ball will be available for ages 5 – 6 and Wee Ball will be available ages 3 – 4. Both will have teams consisting of 8 players and all teams will be paired with a professional coach from Positive Baseball Development.

Register as a free agent or bring a whole team!
