

Ladies

We will not have practice Friday.

Coach Hill

Below is our schedule for the week. If you will be missing any of the days please let me know if you haven't already. Make sure you come prepared for indoor and outdoor practice. Pitchers and catchers will have some extra time so look for your special times. Please remember the team store closes for orders on Wednesday. The link is below. Please bring me your checks or cash for the warm up jackets. It is \$45 with check payable to Shoreland. I have already ordered these for the girls and they will wear them on gamedays.
