

2023-2024 PIHL SUSPENSION LIST

NOTE: This suspension list represents a record of penalties from PIHL games involving suspensions and the corresponding number of games to be served by the offending person. It is not a reporting tool; it is tracking system. It remains the responsibility of the team's Head Coach to ensure suspensions are served as they are incurred. Questions on suspensions should be directed to the PIHL Commissioner's Office only by the Head Coach.
