MORE PROTECTION. LESS MOUTHGUARD.

3D EASY, EFFORTLESS FITTING

SISU Mouthguards are known for their unmatched protection, comfort, cleanliness, and remoldability. SISU 3D improves on previous SISU models, and adds a number of new **features**:

- Pre-formed guard for an effortless, fast, fit and go shape.
- Variable material thickness to put protection where it is needed, and comfort where it is desired.

Pre-formed Shape

2.4mm thin

Available in 5 colors:

ONE SIZE Over 5' (150 cm)

For average and larger mouths

Made in the USA

AERO FOR TEAM SPORTS

At a lean 1.6mm, the ultralight design of the Aero Mouthguard is 50% thinner than conventional sports mouth guards, providing maximum comfort and convenience. Combined with its quick, custom and remoldable fit, you'll entirely forget it's there.

Classic Shape

1.6mm thin

Made in the USA

SMALL

Up to 5' (150 cm)
For smaller mouths and children
