# FLASH SALE

Kylie Myers, New England Elite

If you are at The Cages regularly you have seen Kylie Myers working on her game. Kylie has share how much the atmosphere at the facility has made her thrive. Hear what she had to say: "The Cages is by far one of the most impactful facilities that I have been to in my 6 years of travel ball. Always quiet, yet noisy at the same time, The Cages provides a space for players to do a lot more than hit. The coaches at the cages do their absolute best for every athlete, whether it's hitting with Travis or Fred, or pitching with Julie. The Cages has completely changed me, mentally and physically, while still bringing me excitement every time I walk through the doors. I'm super excited for what's still to come and thank every coach for all they've done to make this facility the best for all athletes."
