

August 2020 NEWSLETTER

WGBA Families, Thank you all of your patience while we pushed back our registration process. The good news is, we finally have our direction from Wayzata schools on our rental process and can now move forward with registration and our season. Our traveling tryouts schedule and the start of our season will be slightly different, but I can promise we tried all other angles to get this going on a normal timeline. Due to time issues and lack of gym rental we will be scaling back the length of our tryouts, but feel very confident on being able to put the right teams together. **You are expected to be at both days of tryouts, and if you can't please send an email to chadwgba@gmail.com.
