

Some general rules... doors will open at 8:45, first match is at 9:30. We will play 2 pool games starting at 4's going to 25. We will take a short break where it states break, some teams don't get very much of a break so this will be important. Just like 15ish minutes, we will take another short one right before bracket play. With 6 teams the day moves really fast 😊

The warm-up will be 10(2 min. shared, 4 min serve team, 4 min. receive team) minutes for your first match, 6 minutes(3min. serve team, 3 min. receive team) after that. Please be ready to ref your game, call captains right away. There should be an adult at R1 or R2 or standing next to either one and an adult helping at the scores table.

In bracket play there needs to be an adult at the R1 spot. There will be bracket play, it is not attached but will be posted at the tournament, it is written out below.

Seeding will be determined first off of overall record, then head to head competition and then points, if there is a tie we will play a quick game to 15 starting at 0's. Bracket play is best of 3, 0-25, 3rd game is 0-15. Bracket play will start right after pool play is done and we take another short 15 min. break.

I will have bracket posted in the gym... I just haven't attached here but it will be like this A2- A3 on Court 1/A (A1 will ref) then winner will play A1 next and loser will ref... the winner of that will move on to the championship. Bs will do the same as A's... B2 v B3 on court 2/B (B1 refs) then winner will play B1 next and loser will ref, the winner of that will move on to the championship against winner on the A side.

I will try to have refs and score table workers for the championship that way the teams that lose in the semi's can be done.

We offer a concession stand with many choices, please no coolers coming in. We ask that there be no wandering the halls and no volleyballs in the halls as well.
Admission is \$4 adults, \$2 for kids 8 and up and senior citizens

Medals for 1st place
