

To Whom It May Concern:

On behalf of the Vikings Youth Hockey Club and Orlando Jr. Vikes Hockey Club, we would like the opportunity to inform you about our sponsorship program for the season.

We are currently looking for businesses interested in sponsoring the Vikings for the upcoming year. We have 3 different levels of sponsorship available, starting as low as \$100. At each level there are different advertising options that are offered, so we urge you to carefully look over the enclosed sponsorship information.

Vikings Youth Hockey Association utilizes the funds that are raised for a variety of costs that are associated with running the organization. We believe that it is imperative that organizations continue to provide positive activities for children. Youth hockey teaches children several life skills such as teamwork, sportsmanship, fitness, and determination, to name a few.

Hockey is an expensive sport and one thing that we pride ourselves on is being able to assist families with the costs associated with participation. Registration costs range from \$3,000 – \$6,000. Any goods, services or monetary donations are fully tax deductible as the Vikings Youth Hockey Club is a 501(c)(3) nonprofit organization.

We appreciate each of our sponsors and thank you for supporting our kids and program.

Thank you,

The Vikings Board of Directors
Vikings Youth Hockey Club
